May 27, 1765.

The commissioners of the STREETS GIVE NOTICE,

THAT they have fix'd the rates of carriage and portcrage for the present year, the same as usual.—All persons who presume to drive carts or drays for hire, without licence; all persons who hire negroes, as porters or labourers, not having badges; all persons who wantonly gallop thro' the streets, throw filth or dirt, keep drains above ground, to discharge filthy water into them, and every other transgressor of the law, will be properly fined.—And the inhabitants, for their own good, are desired to give notice to the scavenger of such transgressors.

The commissioners having resolved to sink a drain in Church-street, from Mr. Rantowle's, to Mr. Mansell's; such persons as may be desirous of undertaking the said work, are desired to attend the Board, on Monday the 3d of June next, at four in the afternoon, at the state house, when they will fix on the depth and dimensions would have the same built.

All persons who have not as yet taken out licences for carts or negroes, may within ten days apply for them, to the clerk of this Board, who has orders to deliver them, and fine all defaulters. CHARLES WOODMASON, *Clerk.*

Charles-Town, May 4th, 1765.

AS the time I have undertaken to inspect INDICO for sale in this town, at *one per cent.* expired the 25th of March past; it is necessary I should acquaint the public, that it will not hereafter suit me to do the same for less than *two dollars* per hundred; and that, for sorting, garbling and sealing Indico, from those whose names are not in my register of three last crops, I shall expect *five per cent.* on invoice, unless they signify their intention to employ me, before the 1st of July next, accompanied with a *ten pounds* bill.

If after this offer, any should have reason to complain that their Indico, sent home without my seal and certificate, is a drug here, they must blame themselves for presuming it would be otherwise.

At the same time, I would advise all persons who have Indico stamped or purposely wetted, or who jumble the 1st, 2d and sorts together, in order to impose on purchasers, not to offer me for my inspection; as I am determined always to publish my opinion of such parcels, with the names of the makers, owners, in the very next gazette, to prevent its being further thought at home that, by my silence, I am *the father and maintenance, all the iniquitous practices which have been committed with Carolina indico.*

MOSES LINDO, Inspector-General of Indico.

JOSEPH HUTCHINS, Factor,

HAVING been informed, that the co-partner of a late SOLICITED FACTOR, has *solicited* some of his country friends for their custom, and insinuated that he had dropt, or was about to decline, the Factors Business: He thinks it proper to acquaint all his friends, particularly *those in the country*, that such *insinuations* are ABSOLUTELY FALSE; that he still does, and intends to, carry on the FACTORAGE BUSINESS *in all its branches*, as he heretofore has done, and that he will continue to exert his utmost endeavours for his employers interest.

At the same time, he begs leave to return his thanks to all who have hitherto favoured him with their commands; and as he is a piece of a seaman, and always looked upon *plain sailing* to be the easiest and surest in navigation, so *in life*, or the business of it, he would advise the *soliciting* gentleman to *steer a more steady course* in future.
